**FARGO** Gigi's Playhouse Grand Reopening (November 4<sup>th</sup>, 7:30-9:30). Gigi's playhouse is back, better than ever! Originally opened in 2015, Gigi's Playhouse remains Fargo's first Down Syndrome Achievement Center and will be celebrating its grand reopening Friday, November 4<sup>th</sup>, 7:30-9:30. The Grand Reopening will have free food, crafts, live music, games and so much more for the whole family to enjoy! Attendees will also have the exciting opportunity to participate in the Grand Reopening Raffle for a chance to win various gift cards to local Fargo restaurants!

The last few years have been full of troubling news at Gigi's Playhouse. With the pandemic, burglary, and the arson that destroyed the original building, Gigi's Playhouse is back stronger than ever! The Grand Reopening marks a brand-new exciting chapter for the organization and Gigi's Playhouse looks forward to sharing this Grand Reopening with the Fargo community.
